

## **.18 (Regulation repealed)**

Note: Prior to October 15, 2001, this regulation was titled “Space Required”, and it set forth indoor and outdoor space requirements for child care areas. Effective October 15, 2001:

- Indoor space requirements were moved to Regulation .19A(6), “Rooms Used for Child Care”,
- Outdoor space requirements were moved to Regulation .21A, “Outdoor Safety”, and
- Regulation .18 was repealed.
